

Iowa Return To Community Update

Care Transition Services & Long Term Care
Options Counseling

Kent Ohms | Community Living Director
kenneth.ohms@iowa.gov | 515.402.2955

Goals and Objectives

- Help seniors maintain independence by keeping them in their homes with a comprehensive set of wrap-around services and supports.
- Increase access to primary/preventive care; in doing so reducing hospital admission/readmission, unnecessary facility placement, and emergency department use.
- Implement evidence informed interventions for older lowans navigating care transitions by formalizing key referral sources and increasing access to person centered counseling.

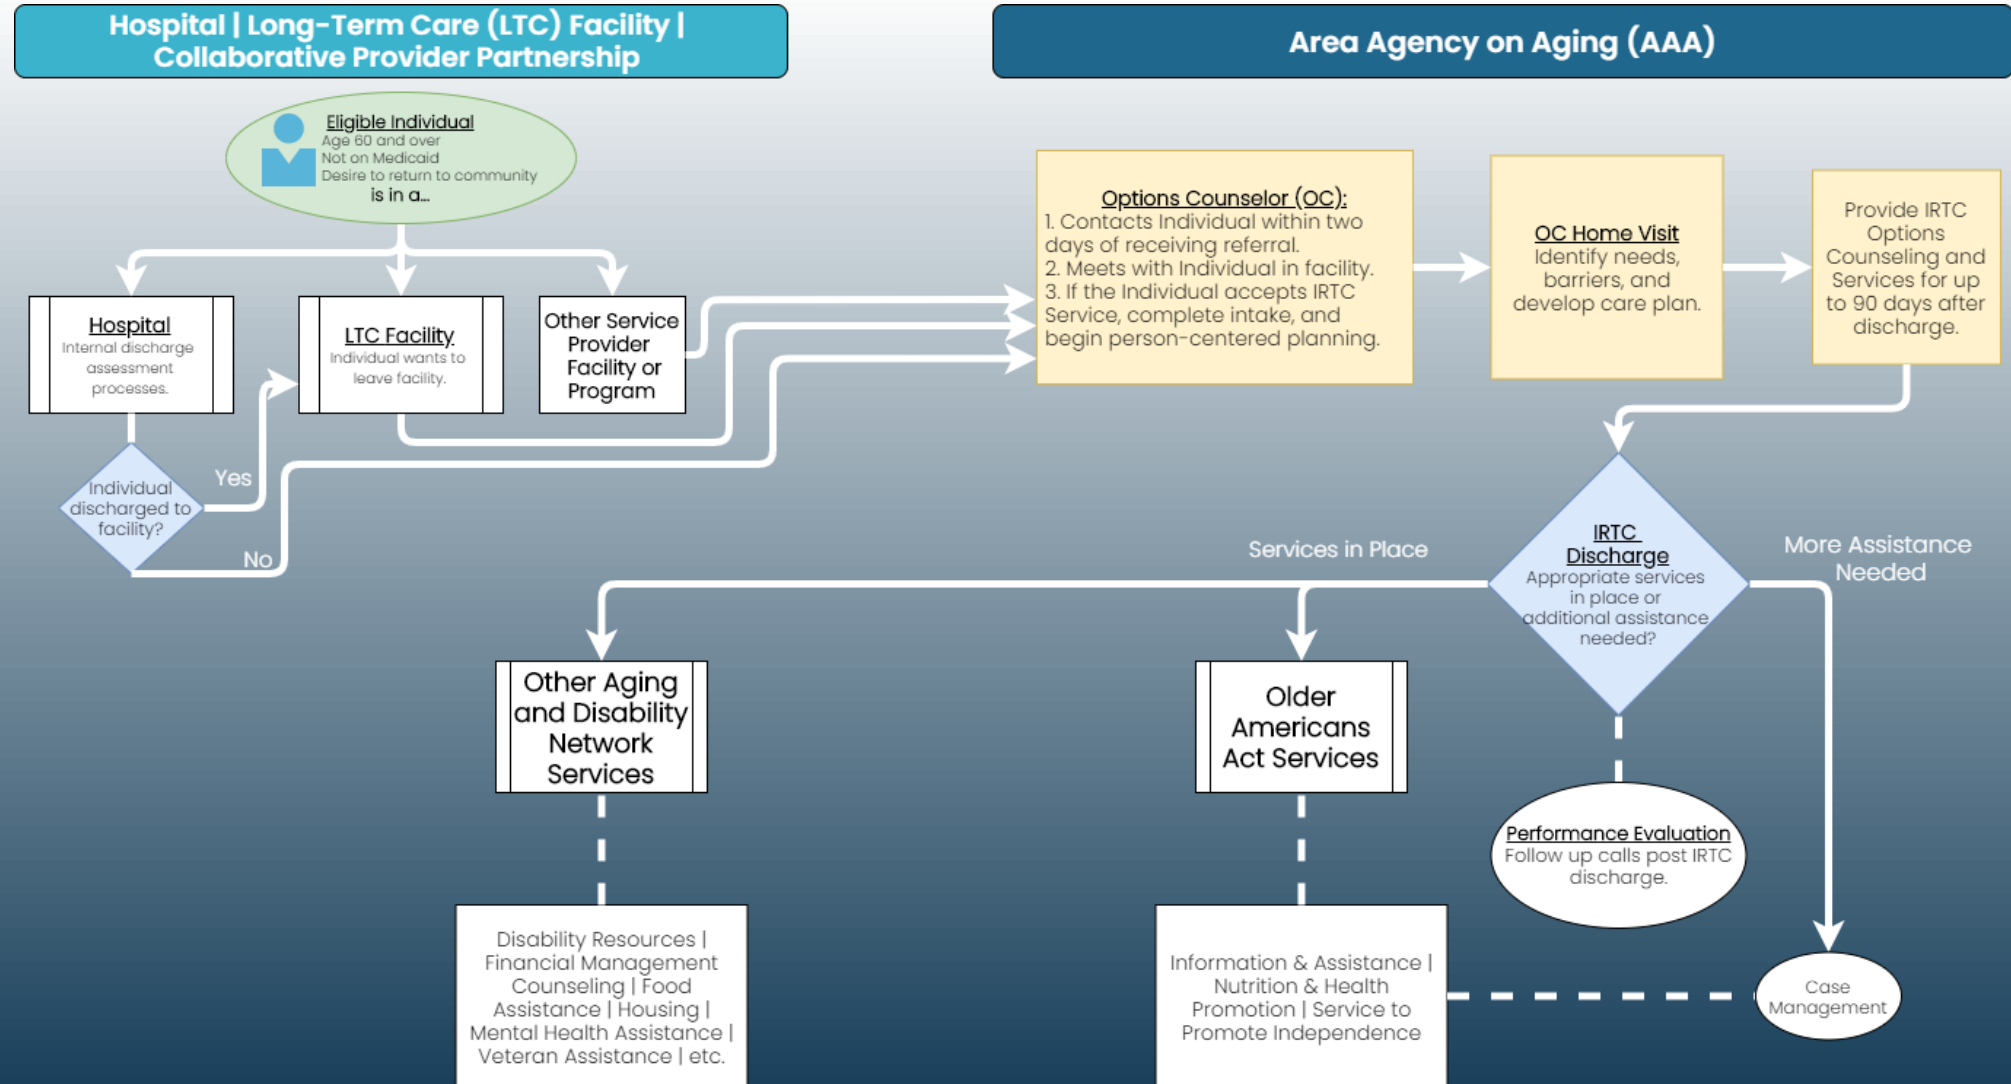

Service at a Glance
